SUBJECT: CENTER LANE Update (U)

8. (S/CL-3/NOFORN) On 19 Jul 83, SSPD contracted with MIAS for Advanced Individual Training of unit personnel. This is the third phase of MIAS training.

a. Phase I is the in-house application of the Discovery Series produced by MIAS.

b. Phase II involves sending unit personnel for resident training in the Gateway Program.

c. Phase III involves training of selected unit personnel at MIAS. This training is specifically tailored to the needs of the individual and is designed to enhance the ability to acquire and collect intelligence.
